Omnicell, Inc. and its assigns and wholly owned subsidiaries (“**Omnicell**”) and Customer have an agreement in place (“**Underlying Agreement**”) for the provision or purchase of certain Delivered Products. From time to time, Omnicell may add or make available certain non-generally available features or functionality to the Delivered Products (individually and collectively, “**Beta Functionality**”). These terms of use (“**Beta TOU**”) govern Customer’s use of Beta Functionality. Any capitalized terms not defined in these Beta TOU will have the meaning set forth in the Underlying Agreement. Except as expressly amended or modified herein, and then only to the extent so modified as respects Beta Functionality, the terms of the Underlying Agreement remain in full force and effect. To the extent of any conflict between these Beta TOU and the Underlying Agreement, these Beta TOU will control with respect to Beta Functionality.
